

DIRECTIONS

VILLA KOLIBRI SAUDARA

Jl. Tirta Tawar Kutuh Kaja Ubud Kedewatan Ubud Gianyar Bali

1. Take this road. (Jln Tirta Tawar) It will have assorted signs at the entrance. It is a smaller road so go slow incase you miss it! Just before this road (coming from the Ubud Markets driving towards the big statue) is the 'Guardian Pharmacy' (a blue sign) and a large green sign ('Money Changer').
2. The villa is roughly 3kms down this road through all the villages.
3. Keep going down this road until you see 3 white houses (exactly the same) on your right hand side set back off the road in the rice fields. (Called VILLA VINAYAGA). Keep going for about 100 metres.
4. You will see the sign on the left hand side of the road saying JUNGJUNGAN. It is small so keep a look out for it.
5. The villa is about 10 metres further down from here on the right hand side. You will see the 'pull in' parking area.
6. Look for the sign "Villa Kolibri". You will be able to park 'off road' and then walk down the path to the villa.

Drivers from out of Ubud do not always find their way easily! We recommend taking a copy of this map and directions with you if our driver is not picking you up.
